### **Important Info NOT listed above:**

- There are NO coaches. It is meant to be a fun, casual, and informal atmosphere where Hillgrove players can get to know each other, get a touch on the ball, and maintain fitness. It is also a violation of GHSA policy for any Hillgrove coaches to coach ANY Hillgrove student (with a soccer ball present) before the season officially starts.
- Players must sign a parental liability waiver before than can officially play
- I will create the teams based on age and player experience. There are two leagues which are essentially a JV (u16) and Varsity League (u18). Special requests for placement will definitely be considered, but no promises can be made.

Thanks,

Heath Merrill
